### Editorial Policy

*The European Journal of Economics and Management* is international journal dedicated to topical issues of economy and management. The journal aims at publishing of high quality articles that may bring innovative and significant theoretical, conceptual, methodological and empirical contribution to relevant scientific fields. The journal works with anonymous peer-review system that verifies scientific quality of submitted articles.

*The European Journal of Economics and Management* has a particular interest in macroeconomic researches that may demonstrate promising ways of national economy development, but by no means restricts its interests to these spaces, welcoming any relevant contribution from and about different parts of the World.

*The European Journal of Economics and Management* accepts original materials which are not under consideration elsewhere at the time of submission and does not accept already published materials.
